SLANT // LETTER

AN EDITOR'S ANGLE ON FINDING YOURS

“An angle is simply this: it’s a fresh frame for timeless truth. It’s creative, unexpected, a pinch provocative, and able to power up vital conversations people are compelled to join. It’s the signature of great writing. And it makes all the difference in standing out beyond overdone, underdeveloped, dime-a-dozen concepts.”

-Stephanie Smith

The kind of valuable, engaging writing publishers are looking for...

1. **A CLEAR PREMISE:** The single driving premise of the book is clearly knit throughout the book.

The kind of valuable, engaging writing publishers are looking for...

1. **A CLEAR PREMISE:** The single driving premise of the book is clearly knit throughout the book.
2. **STRONG ORGANIZATION:** Each chapter says one thing, and the reader can identify what that one thing is.

The kind of valuable, engaging writing publishers are looking for...

1. **A CLEAR PREMISE:** The single driving premise of the book is clearly knit throughout the book.
2. **STRONG ORGANIZATION:** Each chapter says one thing, and the reader can identify what that one thing is.
3. **WRITING THAT MEETS READER'S NEED:** The writing meets the reader's felt need, by speaking into her particular circumstance, and fuels conversations she's already having.

“If you write a book for everyone, you end up writing a book for no one. But if you write a book for someone, you end up writing a book for everyone.”

The kind of valuable, engaging writing publishers are looking for...

1. **A CLEAR PREMISE:** The single driving premise of the book is clearly knit throughout the book.
2. **STRONG ORGANIZATION:** Each chapter says one thing, and the reader can identify what that one thing is.
3. **WRITING THAT MEETS READER'S NEED:** The writing meets the reader's felt need, by speaking into her particular circumstance, and fuels conversations she's already having.
4. **PRACTICAL APPLICATION:** The reader knows how to apply what she's learning to her life. She believes she can live differently and now has a practical plan to get there.

The kind of valuable, engaging writing publishers are looking for...
